In re Application of:

U.S. Patent Application No. 10/549,905 : Group Art Unit: 1624

For: Polyamine Conjugates With Acidic Retinoids and Preparation Thereof

REQUEST FOR RECONSIDERATION OF THE DECISION ON PETITION UNDER 37 CFR 1.47(a) (FILING WHEN AN INVENTOR REFUSES TO SIGN) AND RENEWED PETITION UNDER 37 CFR 1.47(a)

MAIL STOP PETITION
Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

Sir:

Pursuant to 37 CFR §1.47(a) and in response to a Decision mailed by the U.S. Patent and Trademark Office on February 4, 2008 ("Decision"), Applicants, Dionysios PAPAOANNOU, and Dionysios DRAINAS, who executed a Declaration for this Application, respectfully petition to make this application on their own behalf and on behalf of the non-signing joint inventor Prof. Dr. Dionysios TSAMBAOS.

In the Decision it was stated that the Petition under 37 CFR §1.47(a) filed on 20 September 2005 ("September 2005 Petition") was dismissed because, although the September 2005 Petition satisfied most of the requirements of that section, it did not provide the factual proof that the missing joint inventor could not be located or refused to cooperate. Decision, page 2. It was explained that the letter of 2 September 2005 sent by the non-signing inventor indicated affirmative refusal by Prof. Dr. Tsambaos to join in the application, but the letter did not indicate that he had been presented with the application papers.

In a telephone conversation with Mr. James Thomson during the week of July 14, 2008,

U.S. Patent Application No. 10/549,905

Mr. Thomson advised the undersigned counsel that if evidence is submitted that a complete application, including specification, claims, drawings and oath or declaration, is presented to Prof. Dr. Tsambaos, but he refuses to accept delivery of the papers or otherwise indicates his refusal, this would be sufficient proof that Prof. Dr. Tsambaos refused to cooperate. Mr. Thomson explained that silence by Prof. Dr. Tsambaos would be considered an indication of refusal. Applicants appreciate Mr. Thomson's attention to this matter.

Applicants provide herewith a documentary evidence that a complete copy of the subject application (including specification, claims, Abstract and drawings, new Declaration and Assignment) were mailed to the last-known address and e-mailed to the non-signing joint inventor Prof. Dr. Dionysios TSAMBAOS. This Petition is accompanied by:

- (a) a copy of the letter dated July 18, 2008 mailed to the last known address of the inventor Prof. Dr. Dionysios Tsambaos;
- (b) copies of the Declaration executed by the inventors, Dionysios PAPAOANNOU, and Dionysios DRAINAS, and Application Data Sheet, accompanying the Declaration, both filed in this application on January 17, 2008;
- (c) a copy of the new Declaration included with the July 18, 2008 letter;
- (d) statement by Stanislaus Aksman, Reg. No. 28, 562;
- (e) statement by Arsalan Malik;
- (f) petition for four months extension of time.

Applicants state that the last known address of Prof. Dr. Dionysios TSAMBAOS is:

Prof. Dr. Dionysios Tsambaos
Clinics of Dermatology
Medical Sector
University of Patras
Patras 26504, Greece

The July 18, 2008 letter stated, in pertinent part, that if we do not receive a reply from

U.S. Patent Application No. 10/549,905

Prof. Dr. Tsambaos by August 1, 2008, we would understand that he refuses to execute the Declaration and participate in the proceedings of this Application. No reply was received from Prof. Dr. Tsambaos. Thus, we conclude that Prof. Dr. Tsambaos refuses to sign the Declaration and join in the Application.

Applicants submit that this renewed Petition, together with the September 2005 Petition, satisfies the requirements of 37 CFR § 1.47(a) and respectfully request reconsideration of the dismissal and the grant of the Petition.

Any questions can be directed to Applicants' undersigned attorney.

The Director is authorized to charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 50-2478 and to credit any excess fees to such deposit account.

Respectfully submitted,

Stanislaus Aksman
